WHOLESALE SUPPLY TO RESELLERS (NI)

Nicholl Fuel Oils Ltd is Northern Ireland's premier independent fuel wholesaler, enjoying an enviable reputation among our customers as their first-choice business partner.

Over the last 50 years, we have grown to become Northern Ireland's largest independent oil distributor by providing the best prices by way of a reliable, dependable service. Today, more customers than ever trust us to deliver on quality and price. To this end, we have invested substantial resources in both people and infrastructure.

We can supply all grades of products to oil distributors, resellers, marine and forecourts. The product can be delivered to your storage location or you can collect the product ex rack from our sea feed storage facilities in Kaneb Oil terminal at Airport Road in Belfast.

Nicholl Oils can also provide gas oil, derv and kerosene on an ex rack basis from our network of strategically-positioned depots across Northern Ireland (Belfast, Eglinton, Coleraine, Strabane, Enniskillen, Ballymena and Dungannon), and have invested in technology with all depots fitted with approved depot loading meters.

We're still family owned and run, and we still listen to and value our customers.
